These are the books that are listed in the Kindergarten Syllabus and correspond to the assignments. You may not need to purchase all of these books. You may find that you own many of these books, or will be able to locate them at a library or a used books store. You can also substitute books of your choice for many of the titles listed here. Also, some of the main texts recommended in our syllabi are used over several grades and will be listed in other syllabi as well.
